### Foxes' NGO

#### Student Interns

We warmly welcome student interns. In our experience, student interns bring renewed energy, passion, and perspective! In a broad sense, we consider interns to be an individual 25 years or younger, who has not yet completed their undergraduate degree, or does not hold a certificate (TEFL, vocational etc.). We require that all student interns commit to at least 4 weeks of service. The application process for interns is slightly different, in that we require a more in-depth interview process. Please see the diagram below for a full explanation of the Student Intern Application Process.

#### **Required Documents**

1. Volunteer Application
2. Updated CV
3. Three letters of reference:
  - 1) academic/work reference
  - 2) extracurricular reference
  - 3) personal reference
4. Background check
5. Proof of travel insurance
6. Health Questionnaire
7. Food/Lodging Form
